Total number of students who have received an emergency federal grant under HEERF II and III: 109

FY21=109

FY22=219

Method used to determine which students receive emergency financial aid grants and how much they receive:

SPRING 2021 - Student Grant evaluation process

- Be an enrolled adult student with an active schedule between 3/1/2021 and 6/30/2021
- No OTECH progress and attendance or program restrictions
- Completed 2020-2021 OR 2021-2022 FAFSA OR a completed OTECH Income Statement form when needed
 - 'Completed' means that statement of family size, income, and any changes in those two criteria between 2019 and now, have been reasonably verified by OTECH systems or staff.
 - No other typical restrictions (i.e. loan default status, citizenship, drug conviction, etc.) indicated by submitted FAFSAs applied to eligibility for HEERF grant.
- EFCs of completed FAFSAs are reviewed in consideration of 'exceptional need' criteria
 - Dependent students with an EFC of 10,451 or less meet criteria
 - Independent students with and EFC of 15,140 or less meet criteria
- Students' enrollment status determines maximum amount of grant
 - Students who withdrew or completed their programs within the review time frame are eligible for a max of \$925. This amount follows what all other HEERF awarding processes have been since March 2020.
 - Students with schedules continued in 7/1/2021 or later can receive a max of \$1,845.
 - Previous HEERF payments were considered and subtracted from a student's max eligibility.
 - Current and future HEERF grant awarding will max at \$1,845 per student. This is the tuition amount and enrollment fee listed on OTECH FY22 Cost of Attendance.

Results:

- 504 eligible
- 218 awarded
- 286 notified
