NUNTMA Battle bots serves youth. NUNTMA Battle bots volunteers teach valuable lessons in their conduct with students. Adult misconduct with or in the presence of youth carries serious consequences. Because NUNTMA Battle bots cares that its' volunteers have healthy, appropriate relationships with the youth they serve, it has established the following standards.

1. Young people look to adults for examples of appropriate behavior. NUNTMA Battle bots volunteers must use appropriate language and model honorable behavior, such as respect, integrity, honesty, and excellence. Profanity or sexualized language or jokes are inappropriate when working with students, regardless whether it occurs face-to-face, over the Internet, or by any other means. NUNTMA Battle bots strictly forbids violating any state law regarding interactions with youth; for example, providing them alcohol or legal or illegal drugs, or coaxing them into illicit relationships over the Internet or otherwise.
2. Volunteers must take particular care when touching youth. Most adults understand the difference between appropriate physical contact such as a handshake or pat on the back, and contact that is sexual or disrespectful. Volunteers also must be cognizant of how any physical contact may be perceived.
3. Interactions with students must both be appropriate and appear appropriate. It is expected that volunteers' interactions with students are at all times appropriate and professional, and are strictly related to the role of business mentor. It is unacceptable to seek or engage in one-to-one meetings with students at any time.
4. Volunteers are responsible for the quality of interactions. Students often find it difficult to state discomfort or objections. Volunteers must be especially sensitive to physical and verbal cues that youth provide.

The aforementioned standards do not represent a comprehensive list. Other actions not included could result in suspension or dismissal as a volunteer. NUNTMA Battle bots volunteers also must read and comply with NUNTMA Battle bots Social Media and Photo/Video Policy. NUNTMA Battle bots takes all complaints of misconduct seriously. Credible allegations of misconduct will be promptly reported to the appropriate authorities. During any such investigation, the NUNTMA Battle bots volunteer will be placed on leave. If an investigation determines misconduct occurred, it will result in the immediate and permanent dismissal as a NUNTMA Battle bots volunteer. Any NUNTMA Battle bots staff member or volunteer who reasonably suspects misconduct must report these suspicions immediately to the appropriate NUNTMA Battle bots staff person.
