Tanner Clinic
Medical Assisting Scholarship
Award

Criteria: Students must have attended 100 hours in the Medical Assisting program, have a minimum 80% cumulative progress, and minimum 80% cumulative attendance. Priority will be given to students demonstrating an economic need.

Tanner Clinic will have first right of refusal for the student’s externship.

Students are expected to adhere to the Medical Assisting program externship requirements, such as: Arrive on time and prepared to begin work as scheduled. Stay at the facility until excused by facility staff. Maintain 100% attendance.

Awarded: Four $500 scholarships will be awarded each calendar year to students in the Medical Assisting program at the Ogden-Weber Technical College.

Timeline: The Tanner Clinic Scholarship will be administered by the OWTC Foundation, and the Foundation will notify the clinic of the winner for each school period.

Contact: Applications available at Financial Aid office. Deadlines and procedures will be established by the OWTC Foundation and administered by the FA office.
