Health Occupations
Background Check Notification

Students entering a Health Occupations Program at the Ogden-Weber Technical College (OWTC) are required to complete a background check.

- All Students must complete a Criminal Background Check application no later than the first day of class.
- Any charge incurred in the last 7 years will show up on the background check.
- Many states, including Utah, do not seal juvenile records.
- Any misdemeanor or felony conviction on your record may negatively impact your chances of completing the program and being placed at an externship/clinical site.
- The OWTC is required to notify externship/clinical sites prior to placement if a student has a criminal record.
- Externship/clinical sites may request a copy of students’ background check results prior to externship or clinical rotation approval. Background check results will be submitted to potential externship sites as requested.
- An adverse finding on a criminal background check may inhibit a student’s ability to obtain employment and/or obtain certification/licensure in a health occupation.
- There will be no tuition or fee refund for students who are unable to complete the program due to their criminal record.
- Prospective students with a criminal record are strongly encouraged to contact the Program Coordinator prior to enrolling.
- Students must notify the Program Coordinator if new criminal charges are incurred any time after the initial background check. The student may be required to obtain a second criminal background check.
- In keeping with the program’s due process policies, if a student disagrees with the accuracy of the information obtained, he/she may request a meeting with the Program Coordinator to discuss their concerns.

I have read, understand, and agree with the information presented above.
